Painting on silk with ancient Indonesian technique SERTI

SATURDAY 9.30 – 12.30 We will observe paintings, bas-reliefs, the colours of the various rooms of Il Galero, to gather inspiration for images that will be possible to produce on paper. We will then proceed with introducing a variety of colour schemes and their purposes. Whoever might have difficulties in drawing from real life, will be able to work on a pre-printed image instead. We will also learn how to produce ideas on a variety of materials including silk.

From 3 pm to 6 pm we will use objects to facilitate the tracing procedures, where the silks will come to life with the help of many mediums.

SUNDAY 9.30 am - 12.30 am Final touches to the silks and foulards, and packaging.

Each participant should bring a 4B pencil, 3 paintbrushes n. 6/10/14, coloured pencils or watercolours.

150 € per person

Sewing course – personalisation of garments and fabric.

Create and personalise your own garment choosing between a kaftan, a top, a skirt or a dress, and then personalising it with a handmade painting.

SATURDAY 9:30 am – 12:00 am

Choice of the dressmaker's options of clothing.

From 3 pm to 6:30 pm Personalisation of the garment of choice, with a detailed hand painting with the teacher.

SUNDAY 9:30 am to 12 am Sewing, stitching and refining the garment. The recommended fabrics are: linen, cotton and viscose.

Each participant in the garment personalization course must bring 2 synthetic brushes n.6 / 10.

160 € per person for the whole course

90 € per person for the cutting and stitching

70 € per person for the personalised garment

The materials can be brought by the participants or purchased from a sample set starting from € 8/15 per meter.

It is possible to participate separately to each course; however if one chooses to follow only the "personalization of garments and fabrics" course, they must bring along a ready-made garment to decorate.
